Rustic Architecture of Big Moose Tour
Thu, Jul 18th, 10:00am
This tour, led by AARCH’s Steven Engelhart and several local guides, will explore the distinctive rustic architecture of Big Moose Lake, including the work of Henry Covey, his son Earl, and the E. J. Martin family. These families helped to settle the lake by providing guide services for sportsmen, building inns and lodges, and constructing rustic camps for seasonal residents. What makes many of these early buildings unusual is their vertical half-log construction. Developed at a time when there were no saw mills in the vicinity, it is a technique by which walls of pit-sawn logs were imaginatively used for a building’s structure, exterior, and interior finishes. The tour will include visits to the Big Moose Community Chapel and Manse, The Waldheim, Covewood Lodge, and Brown Gables. The tour begins at 10 a.m. and ends around 4 p.m. FEE: is $45 for members and $55 for non-members. TOUR REGISTRATION INFORMATION

Jam Session - Long Lake
Sun, Aug 11th, 2:00pm
Everyone is welcome. If you’re not a musician, come to listen or join in the singing. Typical instruments at these sessions are guitar, dobro, fiddle, dulcimer, mandolin, accordion, concertina, banjo, spoons and bass. We take turns picking the tunes as we go around the group and we’ll take requests from the audience (sometimes we even know the song). The number of tunes that each person will choose will depend on the size of the group. But, if you just want to play your instrument as part of the group you can. You don’t have to be lead, all you must do is enjoy.
